Ramat Gan, Israel | +972-52-3866456 | gili.syk@gmail.com | [Linkedin](#) | [gilad.design](#)

Professional Profile

Product Designer with 6+ years of experience in UI/UX and 12+ years across digital, visual, and brand design. Experienced in 0→1 product design and improving existing experiences, with a strong focus on UI, visual design, and scalable design systems. Combines product thinking and visual craft with AI-assisted workflows.

Professional Experience

UI/UX Designer - Nifty Technologies Ltd. | 2022-2025

- Led UI/UX design for Web3 products including NFTrade, Centive, and Peerz, collaborating with Product and Engineering
- Led a comprehensive redesign of NFTrade, an NFT marketplace, improving its core UX/UI and overall product experience
- Designed Centive and Peerz from 0→1, shaping product structure, UX, UI, and visual identity
- Built comprehensive design systems across products, establishing reusable components, typography, color, spacing, and visual guidelines

Graphic Designer - Climax Studio Ltd. | 2019-2022

- Developed creative concepts and visual directions for Tempo, Carmel Winery, and other major consumer brands
- Led branding, campaigns, digital, social, presentations, and print projects from concept through execution
- Worked directly with clients from brief to creative direction and execution

Freelance Designer | 2014-Present • Product, UI/UX, Brand & Digital Design

- Designed digital products, websites, and brand identities for startups and businesses across Web3 and FinTech
- Designed 0→1 products including YieldShield, MinerFun, and AntSeed, working with Product and Engineering on UX/UI
- Delivered end-to-end brand and digital design, including visual identities, marketing assets, websites, packaging, motion, and responsive UI
